గోదావరి జిల్లా ప్రభుత్వ పబ్లికేషన్

COCANADA,—THURSDAY 1, APRIL 1897.

కాకినాడ—ఆదివారం ఏ 1, ఏప్రిల్ 1897 సం॥

Minutes of a Special Meeting of the Godavari District Ports Conservancy Board, Cocanada, held in Bank of Madras, Cocanada, on Saturday the 27th February 1897, at 5.30 P. M. to consider the matter of closing the Gap left in the South Groyne as proposed by the Superintending Engineer, 1st Circle.

Present :

V. A. Brodie, Esq.,—*Chairman.*
W. T. Highton, Esq.,—*Vice-Chairman.*
C. W. Simson, Esq.,—*Member.*
T. Kipping, Esq.,
M. R. Ry. Batham Venkatarathnam Gar,—*Member.*

The Board (Mr. Kipping only dissenting) request that Mr. Larminie will postpone closing the gap to the 16th proximo, and then close it with only sand in bags, so that it can be very easily and very quickly re-opened in the event of the experiment of opening a passage between the groynes proving a failure in the absence of a sufficiently capable Dredger. The Board further request that Mr. Larminie will keep the Dredgers going from now until it is proved clearly either that they, and closing the gap, can keep a sufficient passage open through the groynes or cannot do so.

Chairman,

Godavari District Ports Conservancy Board.
