JANUARY.

Pilgrims proceeding to the Hedjaz.

Communicating to the Local and Municipal Department letter from the Commissioner in Sind suggesting that instructions may be issued to officers in charge of segregation camps to see that — are provided with passports or passes.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. H. E. M. JAMES, I.C.S., Commissioner in Sind, to the Chief Secretary to the Government of Madras, dated On the Indus, 14th December 1897, No. 5716.

I have the honour to append, for the information of your Government, the

Advice to be given to pilgrims proceeding to the Hedjaz to provide themselves with sufficient funds, return tickets and passports.

Home Department (Sanitary) No. 7-Sanitary—370-379, of 29th October 1896.

Home Department (Sanitary) No. 3-Sanitary—120, of 11th May 1896.

accompanying copy of a notification issued by the Government of Bombay in 1896, in accordance with the instructions of the Government of India communicated in their letters noted in the margin which have possibly been communicated to your Government.

2. I venture to suggest that instructions may kindly be issued to officers in charge of segregation camps to see that intending pilgrims are provided with passports in Form A or passes in Form B, prescribed in the Government of India's Resolution (Sanitary), No. 4—198-214, dated 12th July 1882.

3. I have issued instructions to the officers concerned in Sind regarding the issue of passports and passes to pilgrims who come unprovided with them, but it will assist as if they bring their passports with them.

ENCLOSURE.

NOTIFICATION by the Government of Bombay, General Department, dated Bombay Castle, 1st December 1896.

No. 5263.—It having been brought to the notice of His Excellency the Governor in Council that some of the pilgrims proceeding to the Hedjaz do not appreciate the advantage of supplying themselves with passports which are required by the Turkish Passport Regulations in force in the Hedjaz, His Excellency in Council wishes it to be generally known that, although it is left entirely optional with intending pilgrims to supply themselves with passports or not, passports are obtainable from all local authorities in India without payment of any fee, and that the consequence to a pilgrim of arriving at the Hedjaz without a passport will be that, under the Turkish Passport Regulations, he will be required at Jeddah to pay a double fee of 40 piastres (about Rs. 4-10-0) before he can get one from the British Consulate, and that if he neglects to get one there he runs the risk of being debarred from visiting the places considered holy in Turkish territory. It is therefore to save pilgrims from the trouble, inconvenience and needless expense which they will incur, that Government wish to impress upon them the desirability of supplying themselves with passports before they leave India.

2. It is also desirable that intending pilgrims should possess return tickets and money sufficient to defray all expenses for the journey to and fro. Government do not insist upon the possession of adequate means and of a return ticket, but pilgrims must bear in mind the disadvantages of finding themselves in the Hedjaz in a destitute condition and without the means of returning to their homes.

(By order, &c.)

(Signed) J. DR. C. ATKINS,
Secretary to Government.

ORDER—No. 5, Public, dated 4th January 1898.

Communicated to the Local and Municipal Department who are requested to issue the necessary instructions to the superintendent of the observation camps.
