Sir
With reference to para 3(1) of
G.O. No. 2280 dated 19th October 1897
(Local and Municipal), I beg to state
that though the revision of the house
and land tax registers was taken
up in July 1896, the lists were ready
only in May 1897. Notices were then issued
to the assessors whose tax was increased
and objections received were heard
and disposed of in the case of 7 out of 8
divisions. The petitions from one more division
are being heard and as soon as all the
registers are complete, a separate report
will be submitted to Government showing
the full result of the revision.

Vol. 69A

2. Para 4(3). As soon as funds are available,
steps will be taken to extend the
Hospital accommodation as
recommended.

recommended by the Surgeon-General.

3. Para 4. The appointment of a
Common Deputy Inspector of Vaccination
for the 5 municipalities in the District
was considered in consultation
with the other municipal Councils,
and, as 2 of the Councils Viz. Solicherry
and Palghat were against the
proposal, it was resolved to ask
the District Medical and Sanitary Officer
to have the work of the municipal
vaccinators supervised by one of the
3 Hospital assistants attached to the
Civil Hospital Calicut, as is
done by the Apothecary at Palghat.

4. Para 5. The Sub Committee appointed
to submit proposals for the development
of the resources of the municipalities,
and the reduction of expenditure,
has submitted its report, which
will be considered by the
Municipal Council, and the
result reported to Government
at an early date.

Para 2 of G.O. H. 540. M. S. dated 10th March 1889.

The sub Committee has not
submitted its final report regarding
the provision of a burial ground for
Hindus. The Committee has been
requested to send it at a very
early date, and as soon as it is
received, it will be placed before
the Council, and its decision is
reported to Government.
