To
The Secretary to Government,
Local and Municipal Department,
Fort Saint George.
(Through the Collector of South Arcot.)

Sir,
I have the honor to bring to the notice
of Government that the Police force in this
town had to be strengthened about the end
of January last till the middle of March
following, as a breach of the peace was
apprehended in connection with the collection
of Municipal taxes. This fact has already
been noticed in the Administration report.

2. The Police force was gradually with-
drawn. However a majority of the force
had to stop here for over ten days and
all the men including the Inspector in
charge of them appear to have incurred
additional expenditure during their stay

here and they therefore claim batta for the full period. Their prayer is supported by the Superintendent of Police. The Police Department has sanctioned batta for ten days only in accordance with the Civil Service Regulations. The Superintendent consequently with the concurrence of the District Magistrate applied to this Municipality for payment of the extra amount of batta disallowed by the Department, viz., Rs 73-7-0. The request being reasonable, the Council has sanctioned the expenditure subject to the previous approval of Government. As Municipalities also are, under G. O. No. 1475 M, dated 7th October 1890, bound by the Civil Service Regulations on this subject, I have the honor to solicit the sanction of Government to the expenditure proposed.

3. A copy of the Council's resolution as well as the correspondence on the subject are
