Letter from the Government of Madras, Local and Municipal Department, No. 43-P., Miscellaneous, dated the 15th February 1898 :—

"With reference to letter No. 220,* dated 1st February 1898, from the Government of India, Home Department, Sanitary, leaving it to the Bombay Government to issue such orders as may be required on the subject of the detention of the pilgrims on board the ship on their journey to Karáchi, I am directed by His Excellency the Governor in Council to forward a copy of the notification issued by him prohibiting the pilgrims from landing at any of the Madras ports north of Calicut, and to request that the Bombay Government may be moved to issue a similar notification in regard to the ports within its jurisdiction to the south of Bombay. It is almost certain that the ship conveying the pilgrims will call at several small ports in the Bombay Presidency, besides Goa, after leaving the Madras ports and before reaching Bombay."
