Memorandum No. 560

Read the following paper:—

From J. B. Bruynate, Esq., Under Secretary to the Government of India, Finance and Commerce Department, No. 865-P, of 18 February 1898:—

With reference to the Post Office Insurance Rules of which copies have been supplied to the Government of Madras, I am desired to inform you that a discrepancy has been noticed between the last line of Rule 12 and the last column of Table IV. It will be seen that while Rule 12 contemplates endowment insurances being payable at death or any age not greater than 55, Table IV quotes rates up to the age of 60 years.

A circular is now issued modifying Table IV so as to bring it into accord with rule 12, and I am to request that pending its receipt the rules may not be republished. Any copies required for immediate distribution should be corrected by the striking out of the whole of the column headed by the number 60 and of the age numbers 51, 52, 53, 54, 55 in the first column and of the rows corresponding thereto.
