Bubonic Plague.

Recording, with reference to G.O., No. 10-P., dated 8th February 1898, letter from the Government of Bombay stating that railway tickets issued in the Bombay Presidency bear a distinctive mark to facilitate detection of passengers from that Presidency, and that observation camps have been established at Kalyan, Poona and Sholapur.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. A. WINGATE, C.I.E., I.C.S., Secretary to the Government of Bombay, General Department (Plague), to the Secretary to the Government of Madras, Local and Municipal Department, dated Bombay Castle, 23rd February 1898, No. 1401 P.

I am directed to acknowledge receipt of your letter, No. 11-P., dated 8th February 1898, and to state in reply that, under the recent orders of the Government of India, all railway tickets issued in the Bombay Presidency bear a distinctive mark, and in future there should be no difficulty in identifying travellers from this Presidency. Re-booking within this Presidency will not, therefore, assist the traveller.

2. I am to add that camps of observation have been established at Kalyan, Poona and Sholapur, and it is hoped, therefore, that there is much less chance now of a sick or infected person reaching the Madras Presidency from the Bombay Presidency.

ORDER—No. 164-P., dated 8th March 1898.

Recorded with reference to G.O., No. 10-P., dated 8th February 1898.
