From

Commander H. A. Street, R.I.M.,
Presidency Port Officer,

TO

The Secretary to Government,
Marine Department,

Sir,

been heard of them.

3. From the evidence elicited at the enquiry, the vessel appears to have been built at Sithapuram in 1876; registered, de novo, at Porto Novo in 1889 and to have been repaired at Coconada in 1897. She was on a voyage from Moulmein to Tondi and, it is thought, must have encountered the bad weather which prevailed in the Bay of Bengal during latter part of December last year and to have capsized.

4. No further enquiry appears necessary.

I have the honor to be,

Sir,

Your Obedient Servant,

H. A. Steel

Commander, R. I. M.,

Presidency Port Officer.
