For orders

The statement sub-
mitted by the P.S.O. in compliance
with G.O. No 148 Marine of From
1-March-1898 is not a "pre-
appropriation" statement,
Order but a proposal for an
original appropriation from
the closing balance, and
is, apparently, intended to
apply to the budget of next
year in which a provision
of Rs 1300 has been made
for expenditure in connection
with the Tuticorin Pier. It
is now proposed to raise
this fund to Rs 1900 by
reduction of the closing
balance. The budget
has after considerable
labour, just been settled
so far as this statement
is concerned. The proposed
appropriation will neces-
sitate several alterations
right through the budget,
and must be formally ap-
proved in the Financial Dept.,
as the Marine Dept. has no
power
