No.1271/431/4

Presidency Port Office,
Madras, 1st December, 1897.

From

Commander H. A. Street, R.I.M.,
Presidency Port Officer,
MADRAS,

To

The Secretary to Government,
Marine Department,
CHEPAK.

Sir,

With reference to G.O., Marine, No.679, dated 29th July 1897, I have the honour to beg that it may be pointed out to Government that, in consequence of the designation of Lighthouse Superintendent having been changed to that of Head Lightkeeper, some confusion is likely to occur in dealing with matters connected with the Lighthouse Establishment; as the designation is simi-lar to that of certain Lightkeepers whose status has not been affected by the commencing scale specified in the G.O., above quoted.

I would, therefore, beg permission to alter the designation of the men on the unaffected portion of the present scale to that of Lightkeeper 3rd-4th-& 5th Class according to their respective rates of pay- thus;-

Men on Rs. 15 would be called Lightkeepers 3rd Clas, 1st Grade.

,, Rs.10 to 12 ,, ,, 4th Class, 2nd Grade.

,, Rs. 7 to 9 ,, ,, 5th Class, 3rd Grade.

as so doing will simplify matters.

I have the honor to be, Sir,

Your Obedient Servant,

H. A. Street

Commander, R.I.M.,
Presidency Port Officer.

No.1271/449

Presidency Port Office,
Madras, 31st January, 1898.

From

Commander, H. A. Street, R.I.M.,
Presidency Port Officer,
Madras,

To

The Secretary to Government,
Marine Department,
Chepak.

Sir,

With reference to Government Memorandum No.85 E, Marine, dated 15th Instant, I have the honour to forward herewith a proposition statement, in duplicate, specifying classes, grades, number and pay of the several lightkeepers.

2. I would observe that this proposition statement involves no increase or decrease either in strength of Establishment or cost, but exhibits a change in the designation of the several men at present employed, with a view to shew them distinct from those to whom similar designations are assigned under the scale recently sanctioned and thus remove any possible confusion, as pointed out in my letter No.1271/451 G dated 7th December 1897.

I have the honor to be,
Sir,
Your Obedient Servant,

H. D. Bameley.

FORT ST. GEORGE,

No. 1233

From

F. C. Harrison Esquire,

ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To

THE Secretary to Government,
Marine Department.

SIR,

With reference to Government Endorsement No. 1272 dated the 22d of February 1898 on letter from the Presidency Port officer No. 1271/44 G dated 31 January 1898, herewith returned, I have the honour to report that the entries in the present scale shewn in the Proposition statement received therewith have been verified and are correct with the following exceptions.

1. A light keeper on Rs 9 has been omitted from the scale of the Calingapatnam Light House.

2. One lascar on Rs 7 shewn in the present scale of the Madras Light House does not appear in the sanctioned scale.

2. As to the other point raised by Government, I

beg to report that the Sanction of the Government of India does not appear to me to be necessary to the adoption of the proposals made by the Presidency Port officer, as the proposals only involve an addition to the strength of the class of Light Keepers, and as under article 93 (iii) of the Civil Service Regulations no reference to the Government of India is necessary in such cases.

I have the honour to be,
Sir,
Your most obedt: servt:,

Accountant General.

Lighthouse Establishments

For ORDER. No 282 Marine 18 Apr 98

Hon Sir Henry Place
16/4/98

Submitted with corresponding draft letter and Order.
R. Apr 18

In his letter No. 1271/44 G., d/ 31st January 1898, the Presidency Port Officer brings to notice that some confusion is likely to arise in dealing with the revised Lighthouse Establishment as the designation of "Lightkeeper" has now two distinct meanings, in one case signifying a class or grade, and in another an appointment. In order to remedy the defect the Presidency Port Officer proposes that certain new classes and grades shall be introduced in which the present ungraded men shall be placed. His proposed new classification is however defective. There are three new classes, consisting each of one grade. This seems unnecessary. The fourth class has a second grade but no

no first, and the fifth class has neither first nor second. It would be better to dispense with the grades entirely, and simply retain the new classes as follows:-

3rd class - Men on Rs. 15.

4th class - Men on Rs. 10 to 12

5th class - Men on Rs. 7 to 9.

Subject to these modifications and to the corrections indicated by the Accountant General, the proposals ~~may~~ are sanctioned. ~~be approved~~. They involve no financial change.

The S.S.O's proposals are not very clear and can not be made so unless they are reduced to the form of a comparative statement and this is essential if they are to be laid before Govt. They aim, in fact, at the introduction of the Govt. of India, as they involve alterations in, and the creation of, classes or grades. Vide Revd. Genl's Endt. on page 16 of S.O. 733 Marine of 1898.

The existing and proposed classifications are as follows.
