Office-note from the Examiner, Public Works Accounts, dated Madras, 6th April 1898, No. 438 A/A.

With reference to G.O., No. 792 W., dated 23rd March 1898, I presume that the entire cost of tools and plant in the Lighthouse Division is also intended to be charged against Excluded Local (Port) Funds, and it is desirable that this should be made clear by the issue of another Government Order.

2. I presume also that the write-back from Provincial funds should have retrospective effect, viz., from the date of formation of the division.

3. I would ask the favour of early orders as to whether the above two presumptions are correct.

ORDER—No. 958 W., dated 7th April 1898.

The presumptions of the Examiner are correct.
