Original of Co 328 marine, dated 2/5/98 submitted. Printed copies issued on the 12th instant and the original should have been returned to Ooky on the 13th, but it was unfortunately retained here for issue of the covering letter to other governments. During the past week all Lyons had frequently to assist in the disposal of papers and owing to constant changes on this account in the duties of H.C., this paper was overlooked which is much regretted.
