Sir,

With reference to your letter No.935, Marine, dated the 15th November 1897, I am directed to ask you to be so good as to make your Government order No.879 of 16th October 1897 apply to both Thopaturai and Point Calimere as there is an immense daily passenger traffic between these two ports and the ports of the Northern Province of this Island.

2. I am also to state that it has been reported to this Government by a passenger who passed through Point Calimere that the examination of passengers was perfunctory and the Government would be glad if such instructions could be issued, as you consider fit, to ensure the examinations being made more searching, and any unnecessary delay to passengers avoided.

I am, Sir,
Your Obedient Servant,

H. C. Crang
for Colonial Secretary.

The Hon'ble,
The Chief Secretary to Government
Fort St. George
Madras.

** It is not understood how there was any communication at Point Calimere. It has my impression that an inspection made on 10.283. 15.4.98.*
