No. 660.

Municipal Office, Ongole,
dated 3rd November 1897.

From,

M. B. C. Lakshminarayana Rao Pantulu Garu,
Chairman, Municipal Council,
Ongole.

To,

The Secretary to Government,
Local and Municipal Department,
Madras.

Through

The Sub Collector,
Mellore.

Sir,

In forwarding for the Sanction of
Government a table of fees proposed to be levied
in this Municipality, under Section 218 of the
Madras District Municipalities Act
and a resolution of this Municipal Council
approving the same, I have the honor
to

2/11/97
no 660

to submit that the fees to remove water from cess-pools items nos 4a, 4b, 5a, and 5b, should be doubled in each case as the system cannot at all be worked at the rates approved by the Council for the reasons shown in para 2. *infra*.

2. There are 18 cess-pools on the list enclosed which may fetch a sum of Rs 66 per annum according to the Council's resolution. Two scavengers at least should be employed to remove water at Rs 5 each per annum, so that the cost of the establishment will be Rs 120 per annum, besides contingent charges. The expediency of the resolution of the Council in this case may also be seen in connection with item no 5c fixing a fee of 4 annas

per diem; in this case it may not happen to remove water more than four times a day.

3. In the case of items nos (1) I, II, III, IV and (2) a, and b, fees have been hitherto levied as authorized by section 209 (now repealed) of the Madras District Municipalities Act under an agreement with the parties concerned and the same rates are continued in anticipation of sanction of Government. In other cases, fees have been fixed to meet the necessities which may arise.

I have the honor to be
Sir,

Your obedient servant

Chairman

to the Collector. The rates

for cleaning cesspools might well
be doubled. I understood from the
Chairman that the two new toties
are to be employed on removing
sewage from cesspools, and will
be entertained only after contracts
under sec 218 have been entered into.
