READ—the following paper:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated 5th May 1898, No. 1892/171 G.

I have recently received a telegram from Messrs. Adamson Mactaggart & Co. of Negapatnam regarding the ports of Ammapatnam and Tondi, in the districts of Tanjore and Madura, respectively, at which coolies, emigrants and cargo for Ceylon are said to be offering in large numbers. Messrs. Adamson Mactaggart & Co. request that arrangements may be made at an early date for constituting Ammapatnam as a port for the embarkation of coolies, emigrants and cargo for Ceylon, and that Bills of Health acceptable to the Ceylon Government may be issued at that port.

2. As there appears to be no objection to applying to Ammapatnam, the notification under section 20, Native Passenger Ships Act, and notification under sections 6 and 54 of the same Act, I submit Messrs. Adamson Mactaggart & Co.'s request for favourable consideration. The Assistant Superintendent, Sea Customs, might be appointed the officer in each case to carry out the provisions of the notifications. The Collector of Tanjore has informed me, the Hospital Assistant at Manamelgudi can be appointed Health officer.
