Sir,

With reference to the additional fee sanctioned by Regulation 9 of the Regulations published with G. O. No. 879, Marine, dated 16th October 1897 in the case of a fresh inspection having to be made by a Port Health Officer I beg to point out that, as it is not stated therein to whom the fee is to be paid, a question on that point has been referred to me by the Port Officer, Pamban.

2. As I read the order on the subject it seems to me clear that it is intended that the fee should go to the Port Health Officer, but as additional expense may be incurred by having to engage a fresh crew for the Port Health Officer's boat, I beg to enquire whether expenses connected with the additional inspection may be met out of the sum that the Port Officer is at liberty to charge under Regulation 9.

I have the honor to be,

Sir,

Your obedient servant,

H. A. Street
