Communicating, with remarks, to the Resident in Travancore and Cochin, Proceedings, Marine Department, approving the proposals of the Presidency Port Officer in regard to the procedure to be followed in the —.

POLITICAL DEPARTMENT

2. I submit that it is very advisable that the Native States under the political control of the Madras Government should conform to the instructions of the latter Government regarding the exhibition of lights as set forth in G.O., No. 289, Marine, dated 24th March 1897, and beg that the Resident in Travancore and Cochin may be directed to acquaint the Travancore and Cochin Governments that, with respect to the exhibition of lights, the following procedure should be followed, viz., that two months' notice of intention to exhibit a small port light—that is, a light whose range is not over ten miles—and six months in the case of larger lights, should invariably be published, and that a copy of the notice to mariners on the subject should be sent to this office. It would be also advantageous if the particulars regarding each light were supplied in a form similar to the copy sent herewith.

Order—No. 323, Marine, dated 29th April 1898.

The proposals of the Presidency Port Officer are approved. The requisite action will be taken in the Political Department.
