Assistant Port Health Officer for Cocanada

The appointment of an — made by the Collector of Gódávári, approved; and a fee of Rs. 5 for each vessel inspected by him, ordered to be paid from Port Funds.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper :—

From V. A. BRODIE, Esq., Collector, Gódvári District, to the Secretary to Government, Marine Department (through the Presidency Port Officer), dated Cocanada, 31st May 1898, Ref. on C. No. 1844/Rev.

In reference to the correspondence ending with G.O., No. 666, Marine, dated 26th July 1897, I have the honour to report that, for want of a competent man, an Assistant Port Health Officer for Cocanada could not be appointed till now. Calcutta, from which port 2 or 3 vessels arrive here every week, has now been declared an infected port and healthy vessels from Calcutta have been ordered to be allowed to work cargo on certain conditions. The Civil Surgeon represents, therefore, that he can no longer discharge satisfactorily the duties of Port Health Officer without an Assistant. As the services of a male Apothecary are not available here, I have appointed, subject to the approval of Government, P. Venkataramaiah Naidu, First-Class Hospital Assistant attached to the Municipal Hospital, as Assistant Port Health Officer. Venkataramaiah Naidu has a high reputation as a medical man, so that he has extensive private practice and is very popular. He has nearly twenty years' service and is a sober, steady man. I request that Government will be pleased to approve of his appointment. Venkataramaiah Naidu will receive a fee of Rs. 5 from Port Funds for each vessel inspected by him.
