GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers:—

From J. N. ATKINSON, Esq., I.C.S., Chairman, Harbour Trust Board, to the Secretary to Government, Marine Department, dated Madras, 18th May 1898, No. 708 A.

In his remarks on the harbour works accounts for February 1898, the Examiner, Public Works Accounts, writes that "(3) the formal sanction of Government should be obtained for the outlay in excess of the budget provision (Rupees 2,59,600) for 1897-98 under capital sanctioned in G.O., No. 275, Marine, dated 20th March 1897, which is due to the write back of the materials used up in laying down moorings, as also of the value of all serviceable tools and plant and stock from construction to capital, so as to enable the construction accounts being closed. This excess under capital over the budget allotment is more than covered by the minus debit of Rs. 3,69,382 under construction."

I request that sanction may be granted accordingly.

Office-note from the Examiner, Public Works Accounts, dated 10th June 1898, No. 1953 B/A.

The excess outlay under "Capital" over the revised budget provision of Rs. 25,000 for 1897-98 (*vide* G.O., No. 247, Marine, dated 2nd April 1898), to end of March 1898, and for which the formal sanction of Government is required, is Rupees 2,91,704.

ORDER—No. 523, Marine, dated 18th June 1898.

It is observed that the budget estimate of Rs. 2,59,600 quoted by the Chairman has since been superseded by the revised estimate sanctioned in G.O., No. 247, Marine, dated 2nd April 1898, the amount of the former having, on the Chairman's recommendation, been reduced to Rs. 25,000. The excess, owing to write backs, now requiring sanction is reported by the Examiner to amount to Rs. 2,91,704 over this revised estimate. It is sanctioned accordingly.
