Mis. Order No. 53 dated 10.1.98
The Municipal Council is not competent to lease the sites in question as they do not ^{appear to} form part of a public street, as defined in the Madras District Municipalities Act IV of 1884 as amended by Act III of 1897, and as such cannot vest in the Council under Section 23. They are apparently the property of Govt. and if so, they should be dealt with in the Revenue Department.

To
The Secretary to Government
Local and Municipal Department,
Madras.
(This is for the Divisional Officer and the collector, Kuitna)
In submitting herewith a copy of a resolution of the Municipal Council passed at a meeting held on the 19th Instant, I have the honor to state that I found out a good many basket-makers (Madhavas) occupying public land in front of their houses, which they asserted they did in accordance with licenses granted to them by former Vice Presidents of this Municipality. I brought this to the notice of the Council through the Divisional Officer with a view to have the pendels they erected over these sites removed after due notice. The Council in its meeting held on the 1st Instant resolved to refer matter to a Sub Committee, which after

report that the Madharas might not be disturbed
 their enjoyment of the sites in front of their houses.
 placed this report together with my memorandum
 now the same subject before the Council which resolved
 to allow the use of the lands on payment of an annual
 fee of one rupee for every 100 sqft of land so occupied.

2. Copies of the Sub-Committee's report and my
 memorandum are herewith submitted for reference.

3. The sites in question lie along two public
 streets vested in the Municipal Council, and their position
 will be accurately known from a view of the enclosed
 plan of the streets.

4. In conclusion, I request that you will be
 pleased to obtain the sanction of the Government for
 levying the fees resolved upon by the Council.

I have the honor to be,
 Sir,
 your most obedient servant

Memorandum of the Chairman

With reference to this subject, I have a few words to say. There is no denying the fact that the basket-makers will be much inconvenienced if they are summarily asked now to vacate the lands in front of the houses which they have been occupying under cover of licenses granted to them some years ago; nor is it equitable for us to allow them to occupy these lands without collecting from them a reasonable rent for such occupation of public land. Last year, I brought to the notice of the Council how certain carpenters have been occupying public lands to carry on their trade, but without paying anything for such occupancy. When we are demanding fees from all other traders some fee or other for occupation of public land, I don't see any reason for exemption of these people, who but for such occupancy, would never have been in a position to drive a thriving trade. Also, grant of annual licenses will be a sort of check over these people from asserting in course of time that these lands so long enjoyed are their own. Convinced with these arrangements, the Council sanctioned a special fee of Rs. 6 for occupation of every 100 sq. yds. by carpenters. I think

Same Scale may be adopted in the case of these
 basket-makers who are deriving a good trade. So I
 request the Council to give weight to my proposal
 under sections 169 & 267.
