Copy of letter from the Presidency Port Officer, No. 1273/
149 G., dated 19th April 1898:-

I have the honour to request that the following, viz.:-

"Temporary appointments in the Port Department" - may be
added to the List of appointments specified in the Public
Service Notification to which articles 1 and 2 of the said
Notification shall not be held to apply. Temporary men are
often required for employment both in the port and lighthouse
service and it is not always that "passed" men can be got for
such service temporarily.

For orders.

The general exemption
 asked for by the P.P.O. is
 sanctioned, but the Marine
 Deptt is directed to issue
 such orders as will exclude
 the risk of illiterate persons
 being entrusted with respon-
 sible positions. As there
 is to be no standard
 of qualification for the
 appointments in question.
 viz "Temporary appointments
 in the Post Deptt." and the
 intention evidently is to
 not to give the P.P.O. free
 scope, the only thing to be
 done is to direct that each
 case shall be reported to
 the Marine Deptt for orders.
 The position will thus be
 very much the same as
 before. The only difference
 being that the Marine
 instead of the Educational
 Deptt. will decide.

I think the matter etc
 can be left to the
 P.P.O. - As his
 attention to para 2
 of the G.O. says that
