READ—the following papers:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, to the Secretary to Government, Marine Department, dated Madras, 28th March 1898, No. 1271/123 G.

I have the honour to forward (duly countersigned), for sanction of Government and allotment of funds as they become available, an estimate received from the Superintendent of Works, Lighthouse division, amounting to Rs. 6,400 (six thousand four hundred) for a new light for Masulipatam, and another estimate of Rs. 1,930 (one thousand nine hundred and thirty) for an oil and watch room for the light. When this light is brought into use, the one now in use will be dispensed with. The change should be carried out before, or at the time, the Kistna light is exhibited in order to help vessels approaching Masulipatam port after sighting Kistna light.

From the Superintendent of Works, Lighthouse division, dated 31st March 1898, No. 948.

ORDER—No. 1648 W., dated 1st July 1898.

- The estimate, amounting to Rs. 8,650, for the construction of a new lighthouse with oil and watch room at Masulipatam, in the Kistna district, is sanctioned.
2. The rates, which are in many cases high, should have been supported by data. The Superintendent of Works will attend to this in forwarding future estimates.
 3. A sum of Rs. 4,000 has been provided for the work in the Excluded Local Fund budget for 1898-99.
 4. The sanction accorded in paragraph 1 has been registered as Excluded Local, No. 9, W. of 1898-99, and classified as Miscellaneous Public Improvements—Original Works.
