Recording letter from the Government of India stating that no alteration is at present required in the system which was prescribed in the fifth paragraph of the Secretary of State's despatch No. 114 (Statistics and Commerce), dated 11th September 1879, regarding the transmission of official publications to the India Office for sale in Europe.

No. 579, FINANCIAL, 5TH JULY 1898.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—again the following papers:—

G.O., No. 540, Public, dated 10th April 1880.

ABSTRACT.—Entrusting to the Under Secretary to Government, Public Department, the duty of determining the extra number of copies of each publication of sufficient interest which should be forwarded to the India Office in addition to the number prescribed in the list annexed to the Government of India resolution of 6th March 1880.

G.O., No. 460, Financial, dated 18th May 1898.

ABSTRACT.—Communicating, with remarks, to the departments of the Secretariat and to the Superintendent, Government Press, letter from the Government of India forwarding copy of correspondence relative to the establishment of agencies in India and in Europe for the sale of Government publications, and addressing the Government of India and certain firms in Bombay and Calcutta in connection therewith.

Letter No. 461, Financial, dated Ootacamund, 18th May 1898, to the Secretary to the Government of India, Home Department.

Adverting to Mr. Pringle's letter, No. 200, dated 17th February 1898, I am directed to inquire whether the instructions contained in paragraph 5 of the despatch from the Secretary of State, No. 114 (Statistics and Commerce), dated 11th September 1879 [printed in the Resolution of the Government of India, Home, Revenue and Agricultural Department (Public), No. 10—438-60, dated 6th March 1880,] that the number of copies of official publications to be sent to the Secretary of State for sale in Europe shall not exceed ten should still be adhered to. It will be observed from the papers forwarded with Mr. Pringle's letter that there are now twelve agents appointed by the Secretary of State for the sale of Indian Government publications in England and on the continent, and unless a larger number of copies is forwarded in future for sale, it will be impossible for the India Office to supply all the agents with copies.

(Signed) A. T. ARUNDEI,
Chief Secretary.

READ—also the following paper:—
