MARINE DEPARTMENT.

READ—the following papers:—

From the Presidency Port Officer, dated 17th March 1898, No. 1271 G./106.

ORDER—No. 725, Marine, dated 26th August 1898.

In G.O., No. 679, Marine, dated 29th July 1897, the Government approved of the scheme for the revision of the Lighthouse establishment in this Presidency and intimated that, on receipt of the sanction of the Government of India thereto, the Presidency Port Officer would be authorized to introduce the scheme, so far as the commencing scale fixed in that Government Order admitted. Accordingly, on receipt of the sanction of the Government of India, the Presidency Port Officer introduced certain changes in accordance with the commencing scale, but the Accountant-General has taken exception to this procedure, and considers that the specific sanction of Government is necessary to each change in the establishment, whether included in the commencing scale or not, and that each such change should be supported by a proposition statement.

2. With his letter, No. 1271 G./106, dated 17th March 1898, the Presidency Port Officer accordingly submitted a proposition statement providing for the changes introduced up to 28th February 1898; but, as under the view expressed by the Accountant-General, proposition statements would also have to be sanctioned for changes introduced subsequent to that date, the Presidency Port Officer was requested in memo., No. 366 E., dated 7th July 1898, to submit a complete proposition statement providing for the entire commencing scale. He now states that the commencing scale fixed by Government has been fully introduced, and submits a statement showing the distribution of the establishment as it stood on the 30th June 1898. This statement has not been drawn up in the prescribed form; it has accordingly been recast in the Secretariat. As thus revised it is sanctioned.

3. The total cost of the establishment, as shown in the proposed scale of the revised statement, amounts to Rs. 2,164 as against Rs. 2,122 fixed as the commencing scale in G.O., No. 679, Marine, dated 29th June 1897. The difference, Rs. 42, is made up as follows:—

Presidency Port Office,

Heading

Madras, 17th March 1898.

From

Commander H.A.Street,R.I.M.,

Presidency Port Officer,

Madras,

To

THE SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

CHEPAK.

Sir,

In G.O.Marine No. 679, dated 29th July 1897, the Government of Madras approved of the Proposition -- Statement for a general revision of the Presidency Light house Establishments, and remarked that on receipt of the sanction of the Government of India, the Presidency Port Officer will be authorised to introduce only the scheme specified as Commencing Scale on page 13 of the G. O.--

2. On receipt of G.O., Marine, No. 822, dated 21st September 1897, communicating the sanction of the Government of India, certain changes were introduced in respect to the appointments specified in the commencing scale referred to, on the understanding that the further sanction of Government was not necessary thereto , as the -- Government had already sanctioned the commencing scale, and that the Accountant General should only be kept informed of the same. It was also held, that separate Proposition Statements in respect to changes and appointments other than those specified in the commencing scale should be submitted to Government and their sanction obtained in accordance with the orders of the Government of India

India . The Accountant General is, however, of opinion that a Proposition Statement is necessary in respect to all changes whether included in the commencing scale or not.

3. Under these circumstances, I now submit for the sanction of Government a Proposition Statement in duplicate, embodying all changes that were introduced in the Lighthouse Establishments up to 28th February 1898. The necessity for the entertainment of 2 Relief-keepers on Rs 40/ per mensem without abolishing the two appointments on Rs 20/ each, as specified in the column of remarks in the commencing scale has been fully explained in this office letter No. 1271/27 G, of 19th January 1898 and No. 1271/ 100 G, of 11th March 1898.

4. In regard to the changes effected in the Madras and Calingapatam lighthouses a separate Proposition Statement has already been forwarded to Government with this office letter No. 1271/ 96G, dated 7th March 1898.

I have the honor to be,

Sir,

Your obedient servant,

A. B. Bardsley

for Presidency Port Officer.

The alterations proposed are within the sanctioning powers of Government.

FURTHER PAPERS.

Heading

Madras, 13th July 1898.

From

Commander H. A. Street, R.I.M.,
Presidency Port Officer,
Madras,

To

THE SECRETARY TO GOVERNMENT,
MARINE DEPARTMENT,
CHEPAK.

Sir,

With reference to marine department memorandum, No. 366, &, dated 7th July 1898, I have the honour to acquaint you, for the information of Government, that the following commencing scale in the graded staff of the Presidency Lighthouse Establishments sanctioned in para 1 of G.O. No. 679, Marine, dated 29th July 1897, has been fully introduced.

2 Inspectors @ Rs. 100 each	Rs. 200
5 Head Lightkeepers 1st class @ Rs. 70 each	" 350
Personal allowance for 2 @ Rs. 30 each	" 60
Signalling allowance for 1	" 10
3 Head lightkeepers 2nd Class @ Rs. 65 each	" 195
Personal allowance for 2 @ Rs. 5 each	" 10
	825

1	Head Light Keeper 3d Class @ Rs 60	Rs 60
3	Light Keepers 1st Class 3d Grade @ Rs 40 each	" 120
2	— do — 2d — do — 1st — do — 20 "	" 40
2	Relief Keepers @ Rs 40 each	" 80
	House rent for 3 Light Keepers at Madras @ Rs 10 each	" 30
		1150

The difference of Rs 5 between the amounts sanctioned by Government for the graded staff of the commencing scale and that actually introduced, is the saving of personal allowance consequent on the promotion of a Head Light Keeper 3d class on Rs 60 to the 2d Class on Rs 65 without the personal allowance of Rs 5, a vacancy having occurred in the latter class.

2. The following appointments were sanctioned in addition to the Commencing Scale specified above viz:-

2 Light Keepers @ Rs 20 each, (for Intecorin and Cuddalore) ordered to be retained in addition to the 2 Relief Keepers — G.O. N: 233, Marine, dated 30th March 1898 — As Rs 20 is the pay of a Light Keeper 2d Class, 1st grade in the Commencing Scale, the designation of the men on this rate of pay employed at Intecorin and Cuddalore has been altered accordingly to avoid confusion.

2 Lascars @ Rs 7 each for Madras and Calingapatam Lighthouses — G.O. N: 340, Marine, dated 4th May 1898.

3. The unaffected scale of the Lighthouse Establishments excluding those specified above, amounted to Rs 880/- on the 30th June 1898. The total cost of the whole Lighthouse Establishment as it stood on the date specified amounted to Rs 2,089, and a distribution statement of this sum is herewith forwarded.

4. I further beg to point out, that the total amount of the unaffected scale is subject to variation now and then consequent on the grant of increased rates of pay to Light Keepers 5th Class sanctioned in G.O. N: 166, Marine, dated 7th May 1894, and also to the entertainment of new men on Rs 7 only, irrespective of the pay of the appointment to which they may be appointed as acting or permanent.

I have the honor to be,
Sir,
Your obt: servant,

A. Pettet
Commander, R.I.
Fire Conservator

Cr. No 497.

Note.

In para 1 of G.O. No. 679 Marine dated 29th July 1897 it was remarked that on receipt of the sanction of the Government of India to the proposed scheme for the revision of the Lighthouse Establishment, the Presidency Port Officer would be authorised to introduce the Scheme so far as the commencing scale fixed in that G.O. admitted.

On receipt by the Presidency Port Officer of G.O. No. 822 Marine dated 21st September 1897 communicating the Sanction of the Government of India, he introduced certain changes in respect to the appointments specified in the Commencing Scale, as this Scale had already been approved by Government and as he thought that no further Sanction of Government thereto was necessary. The Presidency Port Officer ~~considered~~ considered that in respect to the

appointmen

ppointments made by him with
ference to the Commencing Scale
ll that was required was to
ommunicate the changes to the
ccountant General and that
e Sanction of Government should
e applied for only when ap-
ointments not specified in
e Commencing Scale had to be
ade. These assumptions ~~by~~ of
e Presidency Port Officer are
n accordance with the orders of
overnment contained in G. O.
o. 679 Marine, d/29th July 1897.
e Accountant General is
owever of opinion that a propo-
tion Statement is necessary in
espect of all changes whether
cluded in the Commencing Scale
r not, and the Presidency Port
fficer accordingly submits for
e Sanction of Government a
roposition Statement embody-
g all the changes introduced
. the Lighthouse Establishments
p to 28th February 1898. This State-
ent provides only for the follow-
g changes.

(a) Abolition of the appointment
of Lighthouse Mechanic (Rs 80 to 1
(b) creation of 2 appointments
of Lighthouse Inspectors (Rs 100 to 150)
(c) Creation of 2 appointments
of Relief Keepers on Rs 40 each.
(d) Substitution of
(1) Head Lightkeepers 1st class
(new scale) on Rs 70 with a personal

of Superintendents, 1st class (old
Scale) on Rs 100 for each of the Light-
houses at Pruttum and Armeghon.
(2) Head Lightkeepers, 1st class

for the Lighthouse at Hope Island.

The

The total cost of the Establishment as detailed in the Statement submitted by the Presidency Port Officer amounts to Rs 1,280 or Rs 1,355 as corrected by the Accountant General against the Commencing Scale of Rs 2,122 fixed in G.O. No. 649 Marine, dated 29th July 1897. The Presidency Port Officer's Statement is confined to the changes made by him only up to 28th February 1898 and he will therefore have to submit a Statement on every occasion he intends to make appointments with reference to the Commencing Scale. This procedure was not contemplated by Government and will entail unnecessary trouble both to the Presidency Port Officer and the Government. It is therefore submitted that the Presidency Port Officer be asked to submit for the Sanction of Government a complete Statement working up to the Commencing Scale of Rs 2,122. This will enable the Presidency Port Officer to make the necessary changes within the Commencing Scale from time to time without coming up to Government for sanction on each occasion. The accompanying draft is accordingly submitted for approval.

He now states that the commencing scale fixed by --- Government has been fully introduced and submits a statement showing the distribution of the establishment as it stood on the 30th June 1898.
