The letter of Messrs Best & Co. though dated 12 August, reached this office only today. It is submitted that Messrs Best & Co. might be advised to address the head of the Marine Dept. the P.S.O. in future. It is only if they fail to obtain what they want from this authority that they need approach the G.O.

This is the course adopted generally.

The revised regulations were published in the Gazette of the 9th Inst. and there thus seems no necessity to issue any more orders now to the Port Health Officer, Legal Palace.

Messrs Best & Co. have applied to the Supr. Gov. Press for copies of G.O. 745 Marine of 13th Aug 98. The public are supposed to pay for official papers.
