revision of house tax registers
Kumbakonam Municipality

NOTE FOR THE Secretary.

The original assessment on the Chairman's house was Rs 21-10-0 and this has been raised to Rs 26-12-0, by the special Deputy Collector in his late revision. The increase in the tax on the Chairman's houses is thus only Rs 5-2-0, which together with the increase in the tax on the other houses in the town, viz Rs 8811-1-0 (vide last part of paragraph 6 of the Deputy Collector's report), makes a total increase in the tax of Rs 8816-3-0.

2. The cost of the special Deputy Collector and his establishment, employed in revising the house tax registers was Rs 2090-11-3.

3. The incidence of the house tax per head of the population in Kumbakonam, calculated on the revised assessments is Rs 7-10. The following is a comparative statement of the incidence of the house tax on the population in Kumbakonam and in six other most populous municipalities:
