ORDER. 796 *maria* 8 14 September 18

The budget estimate of expenditure of the Agent for Government Consignments for 1899-1900 has been prepared for Rs.9,000. It exceeds the budget and revised estimates for 1898-99 by Rs.1,000. The excess is explained to be due to the provision for boat-hire made at the instance of the Accountant General, to meet the charges under this head of Provincial Civil Departments. It is observed that the alteration in the present system of recovering landing charges which necessitates the raising of the provision for boat-hire has not yet been sanctioned. The proposed provision for boat-hire will therefore be reduced from Rs.2,000 to Rs.67, and the estimate

passed

passed for Rs.8,000, the deduction of Rs.133 for rounding being eliminated.

2. Subject to these remarks the budget is approved and transferred to the Financial Department.
