MUNICIPAL OFFICE,

Dated

From

M. R. Ry. C. Ramaswami Aiyar Esq., B. A.,

G. VENKATASUBRAYALU REDDI GARU,

Chairman, Municipal Council,

WALAJAPET.

To

The Secretary to Government,
Local and Municipal Department,
Fort Saint George

(Through the Director of Public Instruction.)

Sir,

I have the honor to submit herewith a copy of the Council's Resolution No. 6 dated 30th Sept. 1897 and to request the sanction of Government for the establishment of an Inspecting Schoolmaster for this Municipality at Rs 15 with effect from the 1st December 1897.

2. The cost is to be met partly from savings effected by dispensing with the services of the Asst. Masters at Rs 5 each from the Municipal Schools, Rayaji and Jangama Chetti Streets now having two masters and partly from Provincial Funds. These two schools are too poor in strength and attendance to have two masters and can very well be managed by one teacher.

3. In his endorsement No. 2593 dated 16-8-97 forwarding Budget proposals for 1898-99, the Director of Public Instruction strongly supports the recommendations of the Educational Officers in regard to the establishment of an Inspecting Schoolmaster for this Municipality.

L. Hithert

4. Hitherto, the Head Master of the Municipal Middle (now High) School was the Supervisor of Primary Schools without any remuneration for the additional work imposed upon him. But his work in this behalf was hitherto generally poor. Now that the standard of the School has been raised from the Middle to the High School, it is not likely that he will be able to devote proper attention to and exercise adequate supervision over the work of the Primary Schools in the Municipality as required by the Grant-in-aid Code and the Educational Rules.

There are at present 9 Primary Schools - 6 ~~aided~~ municipal and 3 Aided besides 6 other schools not yet brought under Council's system. The present state of the above Schools is such as to require the services of a full time Inspecting Schoolmaster who, by devoting his whole time to them, can remove the defects in existence in them and bring them to a proper standard of efficiency.

The work connected with the preparation of the bills and periodical returns and the correspondence entailed in relation to them is also heavy and needs a separate Inspecting Schoolmaster.

5. The Council is of opinion that the recommendations of the Educational Officers supported by the Director in regard to the entertainment of an Inspecting Schoolmaster be given effect to at once; and accordingly request the sanction of Government for the same with effect from the 1st December

1897.

6. A proposition statement for the addition and alteration of the establishment is herewith submitted.

I have the honor to be,

Sir,

Your most obedient Servant,

at a Meeting held on ^{30th September} ~~30th August~~ 1897.

6. Read letter No 2641 N. Dated 26th August 1897 from the Assistant Inspector of Schools recommending the employment of an Inspecting School Master for the Municipality and connected references.

The Majority are of opinion that the Inspecting School Master be appointed at once on Rs 15 and application be made for $\frac{1}{3}$ of the allowance from the Provincial grant. The additional cost will be met by the abolition of a School Master from Schools of poor strength.
