Sir,

With reference to your endorsement No.1098 M.--- dated 1st Instant returned herewith, I have the honor to state that the discrepancy of Rs.82-2-6 is due to the cost of the articles of furniture, diary, and books supplied to the Inspecting Schoolmaster, Madras Municipality having been included in the total expenditure, Viz: Rs.717-9-6 on account of building and furniture grants to aided Schools, As the item does not correctly come under grants to aided schools, it was omitted, and balance of Rs.635-7 shown in the foot-note to statement V B.

2. As regards the total number of pupils presented for grant examination and found qualified for grants, I beg to submit that they are 4697 and 3513 respectively as given in statement V B. I am sorry the figures given in statement IV are wrong; the discrepancy being due to error in totalling.
