Proceedings of the Board of Revenue (Separate Revenue), dated 13th October 1898, Mis. No. 4092.

Read—the following paper :—

From A. W. B. HIGGENS, Esq., Collector of the Tinnevelly district, to the Secretary to Government, Marine Department (through the Presidency Port Officer and Board of Revenue, Separate Revenue, Madras), dated 24th September 1898, Reference on Current No. 549/98 G.B., Genl.

A rate of one anna per ton has been sanctioned to be levied at Tuticorin under Act III of 1885 on all goods landed and shipped—*vide* G.O., No. 100, Marine, dated 7th February 1898.

2. As live stock form an important article of trade—specially of export trade—at Tuticorin, the Acting Port Officer has suggested the levy of landing and shipping dues on them. Enquiries made at Tuticorin of persons who would be likely to be affected by the proposed tax as to whether there is any valid objection to the tax show that a tax imposed on the export of live stock will only enhance the price at Colombo, but will not affect the trade. The imports of live stock are very small. As there does not seem to be any serious objection to the proposal, and as the tax will bring in a fair amount of revenue with very little additional trouble in collection, I have the honour to submit the proposal for sanction. The following schedule of rates will, I think, be suitable for the present. If the proposal is approved, I request that the necessary sanction of the Government of India may be obtained.

Schedule.
