(Through the Head Assistant Collector and Collector
of South Arcot.)

Sir,

With reference to your Memorandum No. 1242
dated 2nd instant, I have the honour to state that the
ground on which the proposal to increase the rate of
tax on lands was made was the same as that which
was taken into consideration when proposing an in-
crease in the rate of tax on buildings and that there has
been a large decrease in the revenue under Profession
tax owing to the amended schedule.

2. Although it was proposed to raise the rate of tax on
buildings to the maximum of 8 1/2 percent the majority
of the Council resolved to raise it only to 8 percent, but
as the amount of Landtax is comparatively very small
being about Rs 300 only and as the lands on which the
tax is levied are valuable and well irrigated, it was
thought that the maximum rate might be adopted.

I have the honour to be,
Sir,

your most obedient servant

M. Ramaswami
Chairman.
