ORDER No. 1653 M. Mis., dated 26th September 1908.

The letter from the Surgeon-General read above with its enclosure will be communicated to the Municipal Commissioners of Madras, with the remark that the expense of erecting a quarantine hospital at the Beach as suggested by Messrs. Binny & Co, for the accommodation of passengers suffering from infectious diseases landed at Madras would be quite incommensurate with its usefulness, the number of such patients being very few. The utilization of Port Funds for such a hospital is inadmissible. The Municipality should however provide proper isolation hospitals for infectious diseases, as soon as funds are available.
