READ—the following paper:—

Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Honourable the Governor in Council of Fort St. George, dated India Office, London, 1st September 1898, No. 5, Public Works.

In reply to your Excellency's Marine letter, No. 7, of the 4th July 1898, I have to explain that, in January 1890, I sanctioned the deputation to India of General Strachey, the Chairman of the East Indian Railway, and Sir Alexander Rendel in connection with the administration of the Company's undertaking in India. For this duty Sir A. Rendel received a sum of £2,500, but he was requested to take the opportunity of proceeding to Madras to inspect the Harbour Works. This he did but without receiving a special fee for his report.

2. It was subsequently arranged that the payment of £2,500 to Sir A. Rendel should be apportioned as under—
