READ—the following paper:—

From Commander W. AVES, R.I.M., Acting Presidency Port Officer, Madras, to the Secretary to Government, Marine Department (through the Secretary to Government, Public Works Department), dated 5th September 1898, No. 206/304 G.

In G.O., No. 3571 W., dated 20th December 1897 (Marine No. 24 of 17th January 1898) an estimate of Rs. (7,360) seven thousand three hundred and sixty was sanctioned for repairs to the pier at Calicut. The Superintending Engineer has now forwarded the accompanying revised estimate (with plan), amounting to Rupees (15,880) fifteen thousand eight hundred and eighty, for more extensive repairs, which I forward duly countersigned, and beg that sanction may be accorded to the excess amount which can be met from the Western Group Port funds. The cause of excess is explained in the report accompanying the estimate. The Superintending Engineer observes that if repairs in accordance with the present revised estimate are carried out there will practically be a new pier, and that the question of constructing one on another site can be considered at some future time.

ORDER—No. 2623 W., dated 11th October 1898.

The revised estimate, amounting to Rs. 15,880, for repairs to the pier at Calicut, is sanctioned, in supersession of the estimate of Rs. 7,360, sanctioned in G.O., No. 3571 W., dated 20th December 1897.

2. There is a provision of Rs. 2,360 in the current year's budget. The Superintending Engineer will report what further allotment is necessary during the current year.

3. This sanction has been registered as Excluded Local No. 24 W. of 1898–99, and classified as Miscellaneous Public Improvements—Repairs.
