Note.—The two suspected seizures, which were shown in the return of the preceding week against Salem Town, have been omitted from this return under the heading "up to the end of the preceding week," as they have since been reported by the Collector not to be cases of plague.

* Suspected cases.

† These cases were adopted from the Telegram received from the Collector.

Statement showing Plague Seizures and Deaths (imported as well as indigenous) in the Municipalities and Districts of the Madras Presidency during the week ending 22nd October 1898.
