Supervisors employed on plague duty.

Fixing, in modification of G.O., No. 93 P., dated 26th February 1898, the scale of pay and allowances to —.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper :—

G.O., No. 93 P., dated 26th February 1898.

ABSTRACT.—Ordering the publication, in the Fort St. George and District Gazettes, of a notification prescribing, under the Epidemic Diseases Act, additional regulations to be observed in district municipalities and other towns and villages; and declaring, with remarks, the districts of Bellary and Kurnool to be under observation.

ORDER—No. 1359 P., dated 22nd October 1898.

In paragraph 5 of the order read above, the Government ordered that Plague Supervisors should be paid Rs. 150 + Rs. 30 fixed travelling allowance + Rs. 15 horse allowance and that the men for these posts should be Europeans or smart Eurasians from the Salt and Abkari and other departments. As the men that are now being appointed for these posts are either acting Assistant Inspectors or Sub-Inspectors of the Salt and Abkari department, it appears that the above rates are rather unnecessarily high for them. The Government therefore resolves to direct that the pay of the Plague Supervisors shall in future be their permanent pay + 25 per cent. thereof + Rs. 30 fixed travelling allowance + Rs. 15 horse allowance, provided the permanent pay + 25 per cent. thereof does not fall below Rs. 80. This ruling will not apply to those who have been already appointed to these posts.
