Presidency Port Office,

Madras, 14th October 1898.

From

Commander, H. A. Street, R. I. C. M.,

Presidency Port Officer,

Madras,

To

THE SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

CHEPAK.

Sir,

Having been favoured by the
Collector of Trinnevelly with a copy of
his letter to Government dated 21st
September 1898. N^o. 1602 on the question
of a site for the Port Officer's House
at Inticorin I would respectfully
submit, for the consideration of
Government, that a Residence placed
in the position now recommended by
the collector will not have so much
light and air as one built on the fore-
Shore, and that in a place like Inti-
Corin light and air are essentially
necessary.

necessary. I would also observe
that it is unlikely that a House
built on the foreshore would affect
to any material extent the passage
of air and light to either Messrs Darley
Butler & Co's premises or the English Church,
which latter building is only used once
a week as a pulpit.

I have the honour to be,
Sir,

Yours Obedient Servant,

H. A. T. T. T.

Commander, R. I. M.,

Presidency Port Officer.
