No. 247. ^{SR}

Calcutta, the 18th January 1899.

Dear Sir,

Please refer to your endorsement N^o 6 marine, dated the 3^d January 1899, forwarding a copy of the proceedings of the Government of Madras regarding the scale of fees to be charged on and after the 15th February on all live stock landed from, or shipped into, any vessel lying or being within the limits of the port of Tuticorin.

There appears to be a mistake against the entry "one sheep or one goat" in the schedule of rates published by the Government of

of Madras. (Notification No. 5 dated the 3rd instant). The scale of fees sanctioned in the letter from this Department No. 5344¹/₄ No. dated the 6th December last, was that proposed by the Collector of the Tinnevely District in his letter of the 24th September which formed one of the enclosures of the Madras Government's letter No. 956 Marine, dated the 14th November 1898, and the rate mentioned in that letter against the entry "1 Sheep or 1 goat" is apparently 1 pie and not 1 anna as shown in the schedule above referred to.

Yours truly
J. A. Robertson
