No. 5102 Ex., dated the 25th October 1895.
No. 5499 Ex., dated the 22nd December 1897.

Resolution.—By the Resolution of the 29th November 1889 read above, as modified by the Resolution of the 22nd December 1897, Local Governments may, under the conditions there laid down, make small increases in Imperial non-gazetted establishments without reference to the Government of India and without making an equivalent reduction in the same Department. But as regards recurring charges which do not relate to establishments, the provisions of paragraph 2 (1) of the Resolution in this Department, dated 25th October 1895, No. 5102 Ex., apply, and every such recurring charge, however small, requires the sanction of the Government of India.

2. To obviate the references on petty matters which this procedure involves, His Excellency the Governor-General in Council is now pleased to rule that, in the case of fixed recurring charges of a contingent character which, under the ordinary rules of audit, require the sanction of Local Governments, the Provincial Governments may sanction Imperial expenditure up to the limit of Rs. 50 a year in each case.

All new charges sanctioned under these orders should be reported to the Government of India in the quarterly statement prescribed in Article 278 of the Civil Account Code.

Order.—Ordered, that this Resolution be communicated to all Local Governments and Administrations, to the Comptroller and Auditor General, and to all Accountants General and Comptrollers (except Comptroller, Post Office).
