MADRAS.

Sir,

Messrs Oakes & Co Ld supplied a Washington Lyons patent portable steam disinfecter in October 1898 and their bill for Rs 4473.II.0 was submitted for payment with my letter No.3413 A dated 1st November.

2. It was under the direct orders of Government that this disinfecter was obtained from England, to be paid for from Port Funds; but when the Budget was framed no such charge was contemplated, and therefore no provision was made.

3. The Presidency Port Officer enquired in his letters Nos.1397 M dated 11th November 1898 and 1407 M dated 21st idem before forwarding the bill for payment what head the charge could be met from, and asked for a reappropriation statement; but I was unable to furnish such as the allotments for 1898-99 will all be used up, or approximately so for the purposes for which originally intended.

4. Messrs Oakes & Co Ltd are now pressing for payment and claiming interest. I request that early sanction may be given for payment to be made, if Government adheres to its decision to charge the cost to Port Funds.

I have the honour to be,

Sir,

Your Obedient Servant,

J. N. Atkinson
Chairman, Harbour Trust Board.
