MARINE DEPARTMENT.

READ—the following paper:—

Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Honourable the Governor in Council, Fort St. George, dated India Office, London, 26th January 1899, No. 3, Financial (Stores).

I have received your Excellency's letter in the Marine Department, No. 10, dated 29th November 1898, stating that you propose to refer to a representative Committee the whole question of the rules governing the discharge of explosives at Madras.

2. This action has my approval, and I await the report of that Committee and your proceedings thereon.

3. I desire to invite the attention of your Government to the fact that all vessels bound eastward and loaded with explosives are admitted without question to Port Said, which is a very crowded harbour.

4. I trust that the consideration of the matter may be expedited, as it is probable that large supplies of cordite ammunition will be required in India next year.
