READ—the following papers:—

From F. W. ASHPITEL, Esq., Superintendent of Works, Lighthouse Division,
to the Chief Engineer, Public Works Department (through the Presidency
Port Officer, Madras), dated Madras, 6th January 1899, No. 1999.

I have the honour to forward herewith the plans and estimates noted below for a new lighthouse, two sets of quarters and one cook-house at Seven Pagodas. The complete establishment will consist of three-keepers, but it is only necessary to construct two sets of quarters as the existing Superintendent's quarters are available for one of the keepers. One kitchen is only required as the existing native light-keeper's quarters will be utilized. The plans and estimates provide for accommodation similar to that sanctioned at other stations.

2. Permission is requested to commence the collection of materials in anticipation of sanction in order that work may be started without delay directly Manapaud work has been completed. The work was declared to be a matter of urgency in G.O., No. 245, Marine, dated 8th April 1896.

No. 1271/7 P.W.

Forwarded for sanction, observing that the accommodation proposed by the Superintendent of Works, Lighthouse Division, meets with my approval.

MADRAS,
10th January 1899.

(Signed) H. A. STREET, Comr., R.I.M.,
Presidency Port Officer.

Note by the Chief Engineer, Public Works Department.

The estimate is recommended for sanction, but the Superintendent of Works, Lighthouse Division, may be asked to send in an alternative plan, &c., for light-keeper's quarters with domed or vaulted roof.

(Signed) A. W. SMART, Col., R.E.,
Ag. Chief Engineer.

16th February 1899.

ORDER—No. 588 W., dated 24th February 1899.

The estimate, amounting to Rs. 49,920, for the construction of a new lighthouse, with subsidiary buildings, at Seven Pagodas, in the Chingleput district, is sanctioned.

2. Attention is drawn to the Chief Engineer's note read above.

3. This sanction has been registered as Excluded Local No. 38 W. of 1898-99, and classified as Miscellaneous Public Improvements—Original Works.
