MARINE DEPARTMENT.

The 7th March 1899.

No. 36Marine.—In exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897, and by the Notification of the Government of India, in the Home Department, No. 302, dated the 4th February 1897, the Lieutenant-Governor has been pleased to make the following addition to rule V of the Rules for Quarantine against Plague, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, plague, which were sanctioned under Notification No. 160Marine, dated the 24th August 1897:—

"In case, however, the vessel has been 20 days out from an infected port, and there has been no case of plague or infectious disease on board during the voyage, the Pilot can hand over charge of his vessel to the Harbour Master, and land at once, taking a certificate from the Commander of the vessel."
