MARINE DEPARTMENT,

Sir,

During a recent visit to Inticoria my attention was drawn by the Port Officer to the water supply at Hare Island, which he stated had been found insufficient to meet the requirements of the lightkeeper and their respective families. I enquired into the matter on the spot, and as I am satisfied that the supply is insufficient, I beg that sanction may be accorded for an additional expenditure of Rs. Six per mensem. This will bring the total monthly cost of the water supply up to Rupees (17) seventeen per mensem.

2. I would point out that

there

There is no water on the island
and that it has to be brought
by boat from some distance,
hence the cost of the supply.

I have the honour to be,
