ORDER.

No: 285. Mar 25. 3. 99.

In G.O. 270 Marine, dated 7th July 1894 Sanction was accorded to the supply to the 2 Catamaranmen attached to the Harbour Masters at Madras, of livery on the following scale, viz.:-

2 Cotton Suits per annum

1 Woollen Suit once in two years.

It is now proposed to allow them turbans, which are issued to the boatmen performing similar duties. The proposal is sanctioned under the explanation afforded, but it is not understood why these catamaranmen as well as their liveries are charged to Port Fund. If the men are employed on Pilotage duties, their pay and allowances should be charged to Pilotage Funds in the

To

The Secretary,

Sir,

In forwarding a copy of letter No. 3870 dated 14th December 1898, from the Superintendent of Stationery for your information and necessary action, I have the honour to observe that clothing for 2 catamaranmen was not included in the scale sanctioned in G.O. No. 778 Marine dated 12th September 1898, which superseded the G.O.s quoted in paragraph 1 of the above G.O. as regards the men specified.

If it is the intention of Government, that it should form a separate communication, the cost of clothing for the two catamaranmen being chargeable to Port Funds and not Pilotage, and the G.O. No. 270 Marine dated 7th July 1894 sanctioning the same being included in the list of G.O.s superseded, I have the honor to request that sanction of Government may be applied for as early as practicable.

From

The Chairman,

The following would appear to be the authorized scale of living for Catamaran men — viz

2 cotton suits per annum
1 wollen suit once in two years.

If this is the authorized scale and it is now desired to exceed it, some explanation should be afforded as to the necessity for the excess, and as to the cost involved.
