Sir,

The Port Officer of Masuli -
patam has brought to my notice
that he finds it impracticable to
effect locally the necessary repairs
to the Roadstead buoys, and that
they will have to be sent to the
Bexwada Workshops for repair.

To enable him to do this, I
have the honour to state that I
have in anticipation of the
sanction of Government for-
warded an indent to the
Deputy Director of the Royal
Indian Marine, Calcutta, for a

a spare buoy and same
chain for use at Maculipatan
whenever necessary and beg
that my action may be ap-
proved.

The cost viz about Rs 453/-
including freight and shipping
charges can be met from
the grant of Rs 500/- provided
for buoy and beacon in the
Budget Estimates for Rs 1899/1900
for the Eastern Group.

I have the honour to be,
Sir,
