PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following:-

Letter from the Presidency Port Officer, Madras, No.525/229 G, dated 28th June 1899:-

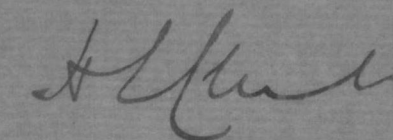

I have the honour to state that it has become absolutely necessary to put up two new doors in place of the present doors of the godown of the Agent for Consignments in which Government Stores are kept. When the Budget of the Agent's Office for 1899-1900 was submitted this work was not anticipated, but the frames of the doors have suddenly worked away from the masonry and the Consulting Architect recommends two new doors instead of the present ones which are very old and inferior. The estimated cost is Rs.190 to which will have to be added the usual Public Works charges for supervision &c.

2. In view of the urgency of the matter I have passed and returned the estimate to the Consulting Architect and recommend that the sum required (Rs.190+24½%) be allotted from the Reserve with the Public Works Department for construction and repairs for Provincial Departments.

Order thereon No. 1711 W, dated 5th July 1899.

A sum of Rs.190 is allotted under ~~Excluded Local Port~~ ^{Provincial Civil Buildings} ~~Minor Works~~ for putting up two new doors in place of the existing ones in the godown of the Agent for Government Consignments, Madras.
