READ—the following paper:—

From H. G. STOKES, Esq., Acting Head Assistant Collector of Tanjore, to the Collector of Tanjore, dated Negapatam, 3rd July 1899, R. C. No. 709/Cur.

The Assistant Superintendent of Sea Customs, Tópputturai, requests to be informed whether cattle can be exported to the port of Kayts in Ceylon.

From your D. Dis. No. 1271/Rev., dated 6th April 1899, it is clear that only goods, and not passengers, are allowed to be landed at Kayts. As no mention is made of animals in the Ceylon Government notification, and as they cannot be classed either under "passengers" or "goods," I have the honour to solicit the favour of your instructions in the matter. I am, however, inclined to think that animals fall under the classification "goods", but have informed the Superintendent that they must not be allowed to be shipped pending further orders.

Submitted to Government, Local and Municipal Department, for orders.

2. The notification referred to is the regulation published in G.O., No. 84, Marine, dated 27th January 1899, which is silent on the point.
