Telegram.

From Political Resident, Persian Gulf,
Karachi.

To Foreign Secretary, Simla.

Dated the 12th July 1899.

My telegram of 14th June. Situation unchanged- 46 deaths from all causes reported from fifth June to end of month, and there have been 13 deaths during first 10 days July. As we cannot see sick impossible say how many deaths due plague but our information goes to show about 14 were suspicious last month and 2 first 10 days this, one of which was reported by Russian Doctor as having all the symptoms of plague.
