

No. 679, PENSION, 2ND OCTOBER 1899.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

ORDER—No. 679, Pension, dated 2nd October 1899.

The attention of all Heads of Departments is invited to the instructions issued in G.O., No. 918, Pension, dated 4th December 1897, regarding the manner of recording finger-prints in the pension application forms and service-books.

2. Finger-tip impressions should not be taken on separate slips of paper and pasted either to the pension application or to the service-books. The impressions in the service-book should be taken *in* the book, as there is plenty of room on the first page or in column 7 of the following pages of the first part of the book showing "personal marks for identification." Those on the first page of the pension application should be on the right hand margin or at the foot of the page.
